[redacted] Comment. In July 1955, the volume of rail shipments from the ration supply depot of the Eighth Gds Army in Altenburg included 130 cars and did not exceed the average of the previous months. [redacted] others [redacted] reported in connection with a dispatcher are reported for the first time and have not been identified. Most of the consignees are the names of administration officers who change rather often and thus could not be identified.
